safe EXO FOLDER

Hotel and office safe with sliding drawer type opening. Hotel safe with large top opening, which offers convenient access for objects without damaging them.

UNLIMITED AUDIT

EXO
BI-MASTER

general characteristics

EXO Folder has been designed to fit inside desks, shelves and bedside tables, for example, so that the guest can use it and access the interior comfortably. Folder is notable for its large top opening and the strength of its sliding guides, guaranteeing maximum comfort for the guest and minimum maintenance costs for the hotel.

Random EXO BI-MASTER

Single-use random master code

The single-use random master code significantly improves the level of hotel security.

The app generates an emergency code that is used only once to open the safe it was created for.

OMNITEC, international partner for security and performance

standard features

- Motorized opening and closing, with 4 to 6 digit customer code, Proximity and Bluetooth.
- Maintenance and management with Mobile APP:
